

Promote your business online for Free at www.bttradespace.com

BT Tradespace is a unique platform that brings businesses and individuals together making it easy for them to do business online. Anyone can buy and sell products and services, find a business and network with other like-minded people. Unlike a conventional business listing, BT Tradespace members can use social media tools such as blogs, photos, videos and podcasts to help promote their products and services. They can also take part in the communities, network, promote their events and create new business leads. For consumers, it provides the opportunity to get to know a business before buying from them.

Signing up to BT Tradespace is FREE. Once you become a member you can:

- Build a profile, describe your company and upload up to 5 photos
- Advertise and sell* up to 5 items on your Tradespace
- Share your thoughts and ideas and promote your products and services with unlimited blogging, 2 videos, 2 podcasts
- Join on Channel to promote your business to specific customer groups
- Enjoy the benefits of Tradespace's marketing efforts (all the sites are search-engine optimised)
- Create a profile on Tradespace Communities and start setting up communities, create your events and interact with customers

It's free to register on BT Tradespace and you can create your site in minutes

* The PayPal facility can be added free of charge and is not compulsory; however, if you decide to add PayPal, BT Tradespace and PayPal will both charge you transactional fee when you receive payments. BT charges applied monthly.

[Join over 185,000 SMEs on BT Tradespace and help boost your sales](#)

List your business for free on BT Tradespace - the exciting new showcase for your business. Reach new potential customers, make recommendations, sell online and exchange ideas. You can feature an offer in moments - then add pictures, blogs, videos and more. You can also take part in the communities, network, invite members to join and create new business leads.

How can I make my flowers last longer?
Certain varieties of cut flowers last longer than others. Carnations, for example, can remain vibrant for long periods. Roses have a shorter vase life, but are prized for their special and delicate beauty. When buying flowers, be sure to ask your florist how long you should expect your arrangement to last. Whatever variety you choose, a little TLC will go a long way to keep your blooms looking fresh longer... [\(read more\)](#)

Essentials for your flowers
Keep them in a cool spot (65 to 72 degrees Fahrenheit; 18 to 22 degrees Celsius), away from direct sunlight, heating or cooling vents, direct drafts from a ceiling fan, and the tops of televisions or radiators. (Appliances like televisions give off heat, causing flowers to dehydrate.) [\(read more\)](#)
